The owners of this site will use reasonable efforts to include up-to-date and accurate information in this Internet site, but make no representations, warranties, or assurances as to the accuracy, currency, or completeness of the information provided. The owners of this site shall not be liable for any damages or injury resulting from your access to, or inability to access, this Internet site, or from your reliance on any information provided at this Internet site.

This Internet site may provide links or references to other sites but the owners of this site have no responsibility for the content of such other sites and shall not be liable for any damages or injury arising from that content. Any links to other sites are provided as merely a convenience to the users of this Internet site.

This Internet site contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. These statements, at the time they were made, were based on then-current expectations of future events. The user is cautioned not to rely on these forward-looking statements.

If any of those underlying assumptions prove or have proven to be inaccurate or unknown or if risks or uncertainties materialize or have materialized, actual results could vary or already may have varied materially from the Company's expectations and projections in these statements.

These risks and uncertainties include, but are not limited to, general industry conditions and competition; economic factors, such as interest rate and currency exchange rate fluctuations; technological advances, new products and patents attained by competitors; challenges inherent in new product development, including obtaining regulatory approvals; challenges to patents; significant adverse litigation or government action; impact of business combinations; financial distress and bankruptcies experienced by significant customers and suppliers; changes to governmental laws and regulations and domestic and foreign health care reforms; trends toward health care cost containment; increased scrutiny of the health care industry by government agencies; changes in behavior and spending patterns of purchasers of health care products and services; financial instability of international economies and sovereign risk; disruptions due to natural disasters; manufacturing difficulties or delays; complex global supply chains with increasing regulatory requirements; and product efficacy or safety concerns resulting in product recalls or regulatory action.

The trademarks, service marks, trade names, trade dress and products in this Internet site are protected in the United States and internationally. No use of any of these may be made without the prior, written authorization of the owners of this site, except to identify the products or services of the company.

Any personally identifiable information in electronic communications to this Internet site is governed by this site's Privacy Policy. The owners of this site shall be free to use or copy all other information in any such communications, including any ideas, inventions, concepts, techniques or know-how disclosed therein, for any purposes. Such purposes may include disclosure to third parties and/or developing, manufacturing and/or marketing goods or services.

The sender of any communications to this Internet site or otherwise to the owners of this site shall be responsible for the content and information contained therein, including its truthfulness and accuracy.
